

Paper4All Newsletter - November 2007

Origins

Paper4All (<http://www.paper4allcharity.com>) is a registered charity (No. 1116888) which aims to advance the education of children in Burkina Faso through the provision of academic resources. The charity was created in 2006 following a teaching experience in Burkina Faso in 2005.

Out progress: latest actions in Burkina Faso

- **Latest action: In November 2007, Paper for All distributed 150 notebooks, 140 reading books and 100 boxes of chalk for the new academic year; we were supported in this action by a team of volunteers whose support has been much appreciated in helping the local children prepare for the new school year.**
- In July 2007, Paper for All distributed 350 notebooks, 100 pens, 100 pencils and 12 school books.
- In June 2007, Paper for All held its second fundraising day at Paddington Station, London, helping to raise much needed additional funds for academic resources as well as support for the charity

- Our next action is scheduled for Jan 2008 and this is where we need your help...

Our fight: To allow hard working children to learn in proper conditions

It is simply shocking to see some children walk 1-2 hours to come to class, and write in the margins of the notebooks previously used by their brothers and sisters because they cannot afford notebooks. The children pride themselves on getting an education but their determination and hard work is rarely rewarded with proper learning conditions.

Our vision: To grow the seed into a tree sheltering the next generation!

At Paper4All, we believe that education is one of the first steps leading to awareness and development. By providing paper and other academic resources, we are giving the children the power to contribute to the development of their own country. We look forward to supporting not one but many schools in Burkina Faso and beyond to allow as many children as possible to make a difference – but for this, we need your help.

Because tomorrow is too late...

- We need your help to continue the huge impact we are already making to these children, so that they can continue to learn and develop! Any support is welcome – remember: **£1 = 5 notebooks = 5 smiles!**
